Trial is at 2nd house on the left. GPS should bring you there. If you are coming from I-40 your GPS may tell you to take Clarence Lee Rd earlier than the 18.2 mile mark, if there is not a market on the left than this is the 1st Clarence Lee Rd, you may take this also as Clarence Lee has 2 roads off of 298. If you are coming in an RV then you'll want to make the 2nd Clarence Lee Rd on your left at the corner of the market as this gives you a better angle into our driveway.

Games Descriptions

Heads or Tails

Work your dog at a distance with limited rats on course: two in the half you are on and two in the other half.

Distance

Another distance challenge similar to Heads or Tails except the entire course is behind a distance line.

Speed

Learn how to handle stress by focusing on finding each rat within 30 seconds or less and, optionally, calling clear when your dog is complete.

Tunnels

Two minutes and lots of tunnels. Complete as many as you can but no points for repeating them.

Bet The Farm

A points game based on speed and similar to Mad Hatter with a twist! You don't know the number of rats on course and you may call clear when course is clear of rats for a bonus.

Mad Hatter

Have we gone mad?! Ten rats on course every time is a doggie smorgasbord and total fun for the dog! Have fun and find rats!

Me First

Dogs race head to head on their own mirror image courses. The first to call rat correctly wins.
