

Rocky Top Mountain K9 Agility

will be hosting a 4 Day Agility Workshop with

Lisa Schmit, PhD, CCFT, CPMP

August 1 – August 4, 2022

Time: 8:00 am – 12 pm

125 Clarence Lee Rd, Lancing, TN 37770

Outdoors on Grass, Fenced Ring

MONDAY: CHANCES: 8 am – 12 pm \$80

In this workshop, multiple Chances courses will be set. Time will be spent on discussing and working various handling strategies for each team. The workshop will also focus on pushing for more distance with obstacles and independent obstacle performance. Skills covered will include how to get your dog to work ahead and laterally away from you. Dogs at all levels are welcome but must be able to perform all agility obstacles.

TUESDAY and WEDNESDAY: 8 am - 12 pm \$80 per day

ADVANCED DISTANCE SKILLS: Are you ready for more distance challenges? This workshop will push the distance with challenging and fun sequences. Do you want to try bonus lines? During the workshop, we will really push the distance! We will examine different handling techniques needed to work farther from your dog. During this workshop, we will work on sequences to refine directionals while incorporating more distance into the exercises. We will push you to be more clear, crisp, consistent and calm in your handling. We will focus on when, where and how to cue your dog properly using body language, verbal cues and motion and push for more distance. Teams must be competing at least at the Open level to attend this seminar.

THURSDAY: 8 am - 12 pm \$80

FOUNDATION FOR DISTANCE: This workshop will focus on the foundation skills necessary to be successful working away from your dog. Whether it is 10 feet or 100 feet, strong foundation skills are imperative for good distance control. Topics: Directionals (GO, HERE, SWITCH, OUT, IN), and other foundation skills as well as understanding the importance of being crisp, clear, calm and consistent with your handling. All levels of teams are welcome - beginner teams that need to learn these skills and more advanced teams that need a "tune-up" or would like to push for more distance. My goal for this workshop is to teach my favorite foundation exercises needed to move on to more advanced exercises. Dogs must be doing hoops and tunnels for this seminar.
