General CPE rules for entries/show site:

- Dogs must be at least 12 months or older the first day of the trial
- Blind (both eyes), lame, in season or aggressive dogs may not enter the show. The Club may choose to exclude any of the above from the site.
- Dogs must be registered with CPE prior to the closing date of the trial, or by the trial date for Day Of Show entries.
- Electronic shock collars are not allowed at ANY CPE trial – training or bark.
- Handlers in all classes are permitted to walk the course, without a dog, prior to the start of the class.
- No relieving of dogs in the warm-up area.

Dogs in the ring, leashes, exiting the ring

- Dogs shall run without anything attached to its body. This is for the safety of the dog. This includes no: stitches, wraps or any other item. The only exception is a small barrette or rubber band to keep hair out of a dog's eyes. **Exception – Drag Race: a flat collar with nothing attached, is allowed to facilitate the catching of the dog at the end of the run.**
- Leashes may not have anything (other than name/license tags) attached to them when used in the ring.
- Dogs may enter the ring on a collar, quick release harness or head halti/leader. If prong collars are allowed per the show site, they may *not* be used to take a dog into the ring. **Effective January 1, 2022** handlers have a choice regarding dogs wearing collars. Dogs may run courses with or without one collar. Collars should preferably be quick release style, flat buckle, or rolled leather. No attachments of any kind are allowed on the collar. Flea and Tick collars are permitted to be left on, but the dog may not wear an additional collar if this is worn. Dogs running with loose attachments on a collar are to be immediately NT'd and their run ended.
- All handlers have the choice to carry their leash in their pocket or safely loop it around their waist or neck, it does not have to be out of the dog's sight, however, if the dog plays with it during the run, it would be considered a toy and result in an NT.
- Dogs must be under the handler's control when leaving the ring or the judge may enter the run as No Time-NT.

Declared training in the Ring

We Rocky Top Mountain K9 Agility will offer Declared training in the ring. The handler has the option if they want to use a toy or training aid at any time during their run, the handler must approach the judge during Walkthrough or previously in that trial day for the judge to approve the toy or training aid for use on the course.

- Handler must alert the Judge upon entry to the ring that the dog will be TIR. Handler is then allowed to have a reasonably sized silent toy/aid with them to use once their run has started (this toy must be approved by the Judge of record PRIOR to the start of the class to determine its eligibility, absolutely no

food/scents/audible devices). The toy is not allowed to be used in either gate chute or prior to the previous dog leaving the ring. The following items are considered training in the ring.

- Start line stay-leaving the dog and going back again to reposition the dog after the handler passes the plane of the first obstacle (before the handler leaves the dog, repositioning or repeated commands can be a delay of start).

While running on course

- The handler will direct the dog through the course with or without a collar.
- Food, toys, training devices (includes fanny packs and leash attachments) are not allowed within 10' feet of the ring. Clickers, training whistles and squeaky toys are not to be used within distraction distance of the ring.
- The handler may not carry anything that could aid the dog in its performance. Exclusion: Handicapped/Differently Abled Handlers using a cane, scooter, wheelchair, etc., to enable their progression around the course.
- The handler may use any verbal or visual commands to direct the dog through the course.
